Limited Warranty

DatesWeiser warrants its products to the initial Buyer to be free from defects in materials and workmanship under normal use and service for one year from the date of delivery or placement in storage. This warranty covers goods under normal use and in service under conditions for which the merchandise was designed. This remedy is exclusive and DatesWeiser does not authorize any person to create for it any other obligation or liability. DatesWeiser makes no other warranties, either expressed or implied as to any matter whatsoever, including without limitation the condition of the merchandise its merchantability, or its fitness for any particular use or purpose.

This warranty becomes null and void on any product repaired or altered by any person not so authorized by DatesWeiser Furniture Corporation or on any merchandise which has been damaged or found to be defective due to the Buyer's negligence, lack of care, accident, alteration, misuse, improper storage, improper assembly or installation, improper repair or maintenance, fire or other casualty. The warranty also becomes null and void if the furniture is damaged due to environmental conditions which are detrimental to the furniture such as continued exposure to direct sunlight, building relative humidity outside the range of 30% to 55% and sudden temperature and/or humidity changes.

In addition:

- Stone is a product of nature and DatesWeiser cannot guarantee against color variations or markings
- Customer's Own Material (COM) and Customer's Specified Laminates (CSL) specified by the customer that are not a standard DatesWeiser XO product offering are in no way warranted.

DatesWeiser disclaims any warranty as to any characteristic or quality, including but not limited to:

- the durability or suitability of any exterior surface coatings or treatments or fabric coverings
- the color, grain or texture of wood or stone
- the wearing or fading of any fabric covering
- the matching of color, grains, or texture except as specified in the order acknowledgement and the stain-to-match sample
- irregularities in the registration of printed textile coverage
- the adequacy of any lighting components
- instability of burl and crotch veneers. DatesWeiser takes every quality measure to stabilize burl and crotch veneers, such as using backer, chemical flatteners, adhesives and cross banding

During the warranty period, the exclusive remedy of the Buyer is limited to the following: DatesWeiser will have the option to repair, replace or return the purchase price or some portion thereof, or provide a credit or reimbursement for repair by a third party acceptable to DatesWeiser, of any product which exhibits such material or workmanship defects. DatesWeiser shall not be liable for commercial loss or any consequential or incidental damages that may arise as a result of any defective product. This one limitation may not apply because some states do not allow limitations on the duration of an implied warranty or the exclusion or limitations of incidental or consequential damage.

DatesWeiser must be notified of any claim against this warranty within one year from the date of shipment or placement in storage. To obtain the benefit of this warranty, contact DatesWeiser Furniture Corp., 1700 Broadway, Buffalo, NY 14212, Attention: Claims Department, in writing. Upon notice of claim DatesWeiser will promptly act on the claim and will remedy any material or workmanship defect found to exist. It is the responsibility of the Buyer to arrange for the return of the merchandise to DatesWeiser and to assume all costs relating to any incidental or consequential damages.

Care and Cleaning

Dusting

Regular dusting with a soft cloth will help prevent fine dust particles from becoming embedded in the finished surface. We recommend using a soft flannel cloth slightly dampened with water, followed by a dry cloth. Always wipe in the direction of the grain. Caution: *Never use a chemically treated cleaning cloth.*

Cleaning

For removing residues, smudges, etc. we recommend using a very mild (non-ammonia) soap and water solution. Apply with a soft flannel cloth, followed by a dry cloth. Always wipe in the direction of the grain.

Fabric

As it's important to keep your fabric items clean, we recommend vacuuming upholstery as often as necessary. If more extensive cleaning is necessary, we advise consulting with a local cleaning specialist. If you are still concerned or uncertain, feel free to call DatesWeiser for assistance.

Stone and Metal

Most stone and metal surfaces can be cleaned following the same procedures as with our wood products. Granite and marble are both very porous and stain very easily. Lemon juice and other acids can actually etch the surface of the stone. Many stains are extremely difficult or impossible to remove, so please be careful. If a problem arises, please contact DatesWeiser or a specialist in your area.

Glass

You may use a standard brand of glass cleaner that does not contain ammonia or vinegar. Always use a soft, clean, grit free cloth when cleaning to reduce the chances of scratching the surface. We recommend a micro-fiber cloth and not paper towels. Care and cleaning of clear or acid-etched glass are the same.

As far as substances are concerned, on non-tempered glass avoid extremely hot materials and on all glass avoid caustic substances.

Harmful Materials

Certain vinyl and rubber products can chemically react with the finish, left in contact for extended periods of time. Coasters, place mats, notebook covers, and rubber or plastic feet (found on most accessories) can also damage wood surfaces. We recommend using felt pads on all objects that come in contact with furniture. To avoid indentations caused by writing instruments, always use a non-vinyl blotter or writing pad.

Environment

All furniture should be used in a stable, controlled atmosphere; avoid sudden temperature and humidity changes. Avoid direct sunlight. The ideal climate is 65 to 75 degrees Fahrenheit and 30 to 55 % relative humidity.

Terms and Conditions

Selling Policy: Sales by DatesWeiser Furniture Corporation are made only on the terms and conditions set forth below. These terms and conditions may be modified or supplemented only by a written document signed by an authorized representative of Seller. These terms and conditions supercede any prior and/or contemporaneous agreements or correspondence between Purchaser and Seller.

Quotations: All written quotations expire 30 days from the date of issuance and can be withdrawn by written notice anytime during that period.

Prices: Prices are F.O.B. from the DatesWeiser factory in Buffalo, NY. Shipping, packaging, inside delivery, uncrating, installation, storage and sales tax (if applicable) shall be in addition to the price and shall be itemized and charged separately.

Net prices are subject to change without notice.

Net prices shall be those prices in effect on the date of receipt of a complete purchase order unless shipment is requested more than one hundred twenty days after order entry in which case prices in effect on the date of shipment apply.

Minimum Order: The minimum order that DatesWeiser will accept is \$100.

Terms: Unless otherwise specified, all amounts are quoted in U.S. funds. All orders require a fifty percent (50%) deposit due at time of order. Account balances are due in full within 30 days after delivery. After 30 days, a 1 1/2% per month finance charge will be assessed on all past due accounts, commencing as of the date of delivery. Buyer is also responsible for any collection costs, including attorney fees, incurred by DatesWeiser in collecting a delinquent account. All orders for DatesWeiser furniture are subject to credit approval prior to shipment. A purchase is not binding on Seller until Purchaser has received Seller's Order Confirmation or Acknowledgement.

Ship Date Confirmation: The ship date will be confirmed via a separate DatesWeiser acknowledgement that will be issued upon receipt of a signed purchase order.

Ordering Information

Ordering Acknowledgements: All orders and subsequent change orders must be in writing. DatesWeiser will issue a written acknowledgement. This price list details what information must be noted on the purchase order. Any omission may result in the delay of processing your order.

Claims: DatesWeiser Corporation is not responsible for damage to merchandise which occurs in transit or storage. It is the customer's responsibility to examine furniture upon receipt and note any damage in transit on the carrier's delivery receipt.

Cancellations: Acknowledged orders, including order changes, may not be canceled without written consent by DatesWeiser. If a cancellation is approved, the order will be subject to cancellation charges consisting of a \$500 administrative fee plus any manufacturing expenses incurred by DatesWeiser.

For claims covering damage due to shipping, merchandise should be examined immediately by Buyer when received and any obvious damage should be noted on carrier's delivery receipt. The merchandise should not be refused, but written exception should be made on the bill of lading and the Buyer should request immediate inspection by the carrier. DatesWeiser must also be notified of all shipping damages. Damage that becomes apparent after the merchandise is unpacked should be reported to the carrier and DatesWeiser immediately upon discovery.

Damage that is incurred at a furniture dealer's warehouse is the responsibility of the furniture dealer.

Claims for defects, errors or shortages must be made by Buyer against DatesWeiser in writing within five (5) working days after delivery. Failure to make such claim against DatesWeiser within five (5) working days shall constitute unconditional acceptance of the merchandise and a waiver of any defects, errors or shortages discoverable upon inspection. DatesWeiser shall not be liable for consequential damages.

Sales Tax: DatesWeiser Furniture Corporation is authorized to collect sales tax in New York State and Illinois only. For all orders with point of delivery outside of New York State or Illinois, the customer will be required to remit the sales tax directly to the appropriate government agency.

All sales, use, excise and other taxes applicable to the sale of the products shall be paid by the Purchaser. If Purchaser claims an exemption from any tax, Purchaser shall submit to Seller the appropriate exemption certificates prior to shipment.

Ordering Instructions: DatesWeiser quotes pricing based on specifications provided by the Buyer. DatesWeiser quotations reflect DatesWeiser's interpretation of the specifications. A purchase order must be received by DatesWeiser for the Buyer's order to be acknowledged and work to begin. Items on the Buyer's signed purchase order will correlate to detailed product description on the DatesWeiser quotation.

All orders are subject to acceptance by DatesWeiser Furniture Corporation in Buffalo, NY. Receipt by Buyer of DatesWeiser's order acknowledgement indicates acceptance of Buyer's order subject to the terms set forth herein and the acknowledgement and is final and binding. The order acknowledgement will be considered the final expression of the agreement between the Buyer and DatesWeiser and shall be the exclusive expression of the terms thereof. The order acknowledgement supercedes all prior writings and may not be modified or rescinded except by a revised DatesWeiser acknowledgement. No orders are binding on DatesWeiser until execution of the order acknowledgement.

Customer's Own Material: A Purchaser who requests a fabric or other surface material not standard to Seller's line of Products ("COM") must submit sample of the requested material to Seller prior to entry of a purchase order. Seller shall determine if the material is suitable to its manufacturing processes and meets any requirements of Underwriter Laboratories. If the "COM" is acceptable, Seller will then establish a price for using the "COM" or the Product in question.

Order Changes: DatesWeiser is not required to accept any requested change order after order acknowledgement; however, all reasonable requests for changes will be honored. All requests for order changes must be in writing, signed by the Buyer or Buyer's agent, and confirmed in writing by DatesWeiser in order to be effective. Any order change accepted after order acknowledgement is subject to our ability to conform and will be subject to a charge for materials, labor and other costs involved in the change depending on the status of the order at the time of the change request.

Delay of Shipment and Storage Charges: If the Buyer cannot accept delivery of the merchandise per the ship date specified in the DatesWeiser acknowledgement, DatesWeiser may transfer the merchandise to storage, either at DatesWeiser's facility or at another facility. If the furniture is stored at DatesWeiser's facility, a storage fee of 2 % of invoice will be assessed for every thirty (30) days. If the furniture is stored in another facility, all out-of-pocket costs of storage, including transportation and warehousing fees, will be at the Buyer's expense. DatesWeiser considers the ship date specified in the DatesWeiser acknowledgement as the invoice date for billing purposes and the customer will be invoiced for all product charges on the date that the furniture is transferred to storage. Storage fees will accrue monthly in full month increments (they are not prorated for partial months) and will be added to the first invoice, which will also include non-product charges such as shipping, installation, etc.

Shipping: Products are carefully inspected and packaged before leaving the factory to ensure that the product will reach its destination in excellent condition. DatesWeiser will ship in accordance with Buyer instructions whenever possible. However, if Buyer does not specifically indicate instructions as to shipping method and route, then DatesWeiser will exercise its best judgment in determining the most suitable shipping method and carrier. DatesWeiser is not liable for any delay or failure to deliver or performance due to strikes, lockouts, or other labor difficulties, failure or delay of sources of supply, transportation difficulties, accidents, fires, Acts of God, or any other cause beyond its control.

Returns: Merchandise may not be returned to DatesWeiser unless Buyer receives prior approval and shipping instructions in writing from DatesWeiser. Unauthorized returns and returns shipped inconsistently with instructions will be automatically refused by the receiving department at DatesWeiser.

Title: Title to the Product shall remain with the Seller until the Product is fully paid for. Purchaser agrees to perform all acts which may be necessary to perfect and assure retention of title by Seller.

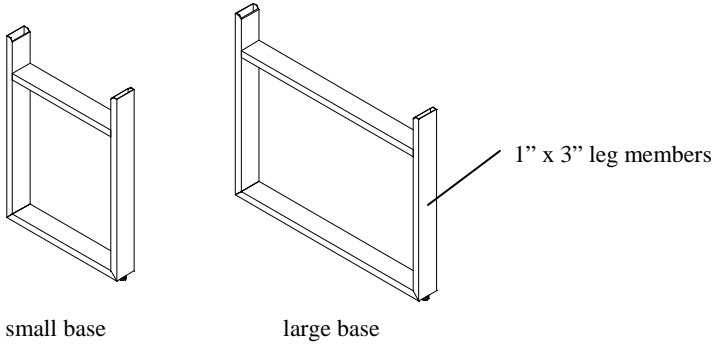

Furniture Hardware: DatesWeiser adjusts all furniture hardware-hinges, drawer slides, drawer pulls, etc.-at the installation and as a punch list item, if required. Any subsequent adjustment is the Buyer's responsibility.

Design: All products shown in the DatesWeiser catalogs are, and remain, the property of DatesWeiser and DatesWeiser reserves the exclusive right to manufacture the models shown. All dimensions shown are to be considered approximate. DatesWeiser reserves the right to make changes in price, dimensions, design and/or construction without prior notice.

Wood Finishes: All DatesWeiser finishes are semi-filled, medium sheen. The natural characteristics of wood veneer and wood solids may contribute to a variation of finish grain, tone, and color. Natural finish options are an absolutely clear finish and the color will reflect the variations of the veneers used on different components within an office.

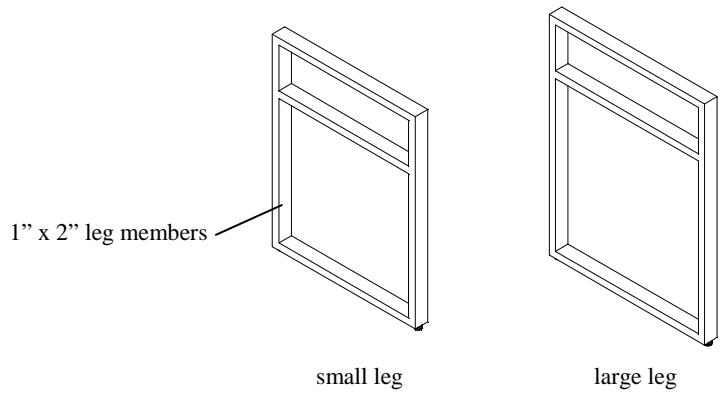

Custom Finishes: For custom wood or paint finishes add \$723 net per finish. This is a one time matching charge. Custom finishes may extend delivery time up to 4 weeks. Counter samples of custom finishes will be provided. Extended delivery time may be necessary pending customer approval of sample.

bases / legs

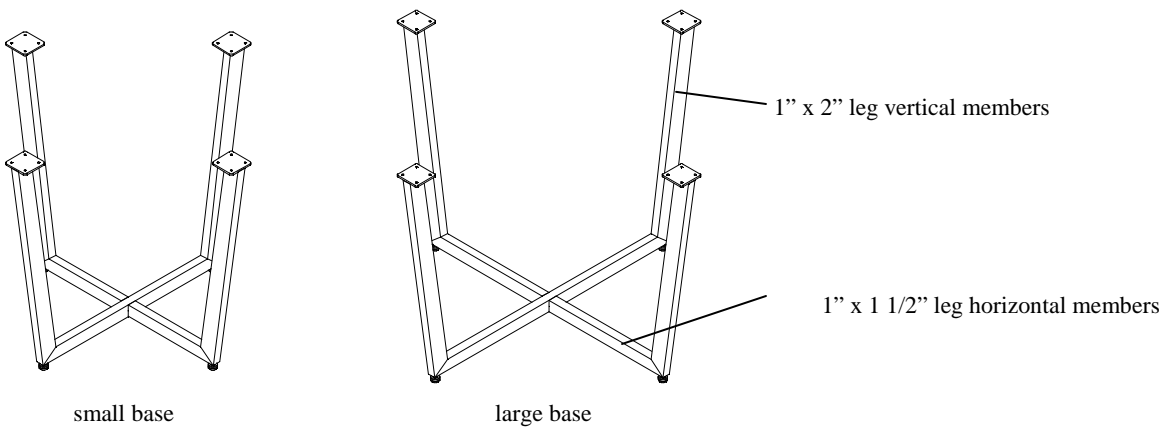

conference table bases

- 1) metal base finishes, see pg. 33
- 2) small base used on tables 42", 48 & 54" wide
- 3) large base used on tables 60" & 72" wide

hatch lid details

notes

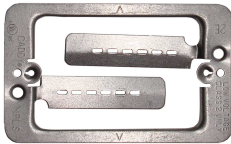

- 1) metal hatch lid finish matches leg finish
- 2) small hatch lid used on tables 42", 48 & 54" wide
- 3) large hatch lid used on tables 60" & 72" wide

power | data | AV distribution unit

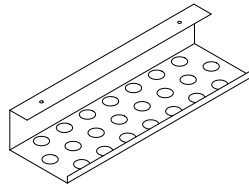

small power box - used on tables 42, 48 & 54" wide

- a) (3) standard "old work" one gang cutouts inside power box
- b) (1) standard "old work" one gang cutout on back side of power box for convenience
- c) (2) low voltage CADDY plates included (used to attach decora style face plates & Extron Electronics wallplates)

low voltage CADDY plate

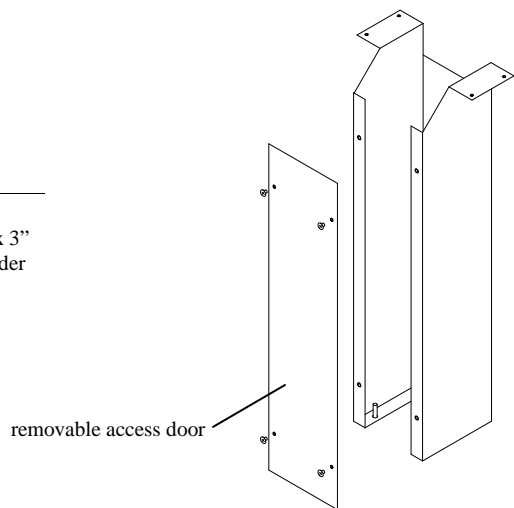

used to attach decora style faceplates & Extron Electronics wallplates
(2 included with each power box)

wire manager,
length varies by table length x 5" x 3"
(l x d x h), metal with a black powder
coated finish

large power box - used on tables 60 & 72" wide

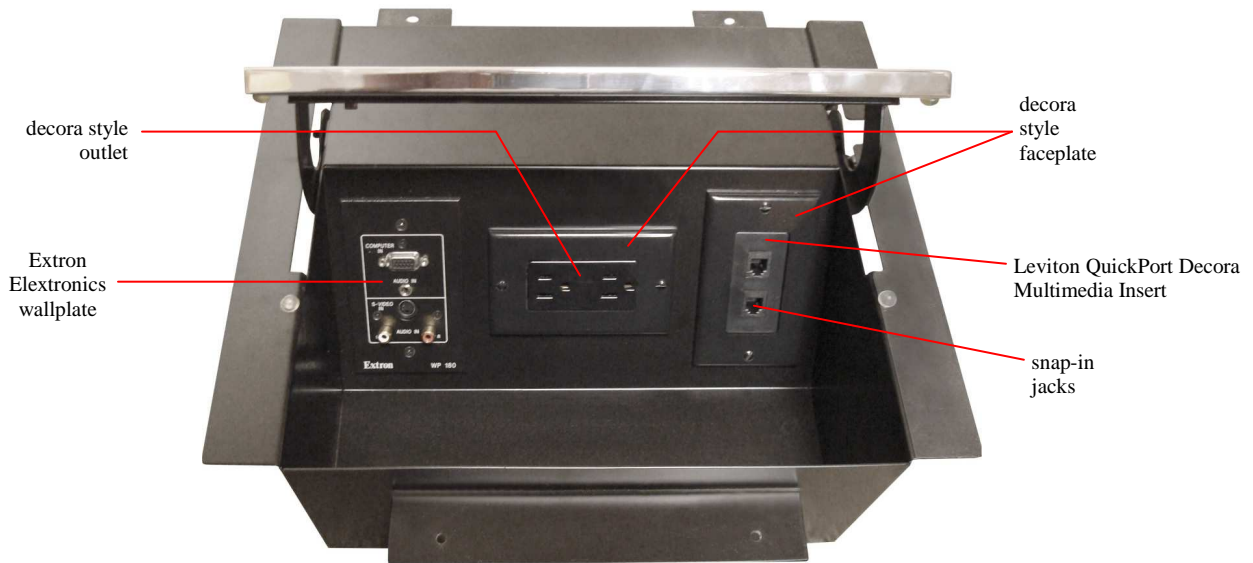

- a) (4) standard "old work" one gang cutouts inside power box
- b) (1) standard "old work" one gang cutout on back side of power box for convenience
- c) (2) low voltage CADDY plates included (used to attach decora style face plates & Extron Electronics wallplates)

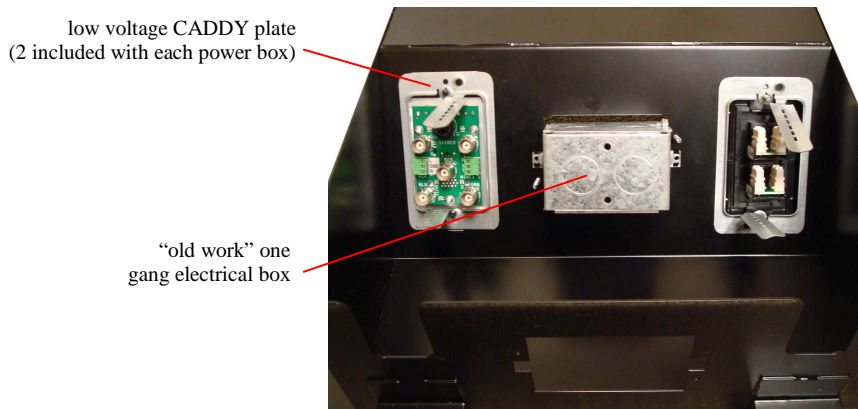

wire management column,
available in 3 powder coated
finishes, see pg. 33

power | data | AV distribution unit, *continued*

all **electrical, data and AV components are supplied by others**

inside of power box

backside of power box

solutions can be sourced from a variety of manufacturers of voice and data equipment. to name a few:

- a) AMP Netconnect products: Flexmode, 110Connect, SL series
- b) Leviton Voice & Data products: Quickport
- c) Panduit Network products: Mini-com
- d) Extron Elelctronics wallplates

"old work" one gang electrical box

Decora style receptacle

decora style faceplate

Extron Elelctronics wallplate

Leviton QuickPort Decora Multimedia Inserts

multimedia jacks that snap-in to QuickPort faceplates.

- a) S-ideo, RCA, F-Connector, 3.5mm Stereo, BNC for example

jacks and terminals that snap-in to Leviton QuickPort Decora Multimedia Inserts
